- a. Cllr Cravos reported on the Libanus play area inspection. All problems are being investigated and resolved. The area around the football nets has been seeded. The rugby posts have not been used since the soccer nets were installed, could they be taken down as children are using them as climbing frames, agreed.
- b. The Tai'r Bull pub asked if they charge for non patrons using their toilets as recently a bus stopped there for them to use the toilets. They could put a notice up saying Patrons Only. There used to be a small grant from the county council for local businesses e.g. Pubs for the public to use the toilets if there were no public ones in the area. Cllr. Fitzpatrick will find out if it is still available.

The next meeting will be held at Libanus Chapel on Tuesday 17<sup>th</sup> October 2017 at 7.00 p.m.

This concluded the meeting, which the Chairman duly closed.
