The support for the heat pump needs attention, the base needs rebuilding. £ 230.00 has been paid with further invoice for £914.00 + £500.00 VAT. Cllr. proposed that £1.500.00 be made available, seconded by Cllr. Harris

There have been 3 funerals recently. As there is no formal policy this needs to be agreed. Burial fees are £650.00 for a new plot, £500.00 for an existing plot. A policy is needed for who is entitled to be buried there. No reserve plots, previous pre-bought ones will be honoured.

The opening party was very successful and consultations were handed out. Cllr. Hill has collated the ones already received. 2 residents have offered to be Treasurer, 1 has offered to do marketing. Cllr. Woods has applied for a grant for broadband.
